

To whom it may concern

Dear Sir or Madam

Following recent developments within the UK market with misinformation and mislabelling of DINITROL products by certain companies, we DINOL GmbH believe that we need to inform you as follows:

**1.**

DINOL GmbH is the manufacturer of DINITROL products and holder of all intellectual property and trademarks relating to all DINITROL branded products. Global Products and Tools Ltd is the authorised Distributor in UK for DINITROL products.

**2.**

DINOL GmbH or any of its appointed distributors or stockists do not sell a product called DINITROL 3125ML.

**3.**

DINOL GmbH does not manufacture or have ever manufactured a product called DINITROL 3125ML.

**4.**

DINOL GmbH has due to EU legislation, reformulated DINITROL 3125. The new improved version is called DINITROL 3125HS.

**5.**

DINITROL 3125HS (High Solids) has had rigorous tests carried out on application and protection qualities and these match or better existing test results for DINITROL 3125 in all areas including ease of application, VOC's and penetration.

This letter will be distributed to all approved stockist that have been sanctioned by Global Products and Tools Limited and either they or Global Products and Tools will be able to answer any technical questions on behalf of DINOL GmbH that might arise from the above statements.

Kind regards
